ADDITIONAL CO-ED LEAGUE RULES

(The following are rules in addition to the general rules for all of League play.)

1. All Slo-Pitch Ontario rules and Slo-Pitch City rules apply unless otherwise stated.
2. Co-ed teams may sign a maximum of 30 players and have until June 13, 2010 to add to their roster. (Note: Managers and coaches who wish to be active players, must also sign the roster in one of the 30 allotted roster positions.)
3. **The official line-up must consist of a minimum of 5 males and 5 females. The batting order must alternate (ie: male, female, male, female etc.). The team must be able to finish the game with a minimum of 5 males and 5 females.**

Unequal Batting Order: The following procedure is recommended to use when there are unequal numbers of males/females: List the males (M1, M2, M3, M4, M5, M6) and females (F1, F2, F3, F4) separately in two lists. The batting order is followed by rotating through each list as you alternate between the two lists.

Example: (Male bats first) M1, F1, M2, F2, M3, F3, M4, F4, M5, F1, M6, F2, M1, F3, M2, etc.
(Female bats first) F1, M1, F2, M2, F3, M3, F4, M4, F1, M5, F2, M6, F3, M1, F4, M2, F1, etc.

Extra Players: Additional pairs of extra players (one male, one female) up to a maximum of 20 players may be used. If more than 10 players are on the batting order, any 5 males and 5 females may play defense.

4. If a player is unable to continue the game and no legal substitution is available when he/she is due up to bat, the batter is declared out. Play continues with the next same sex player in the batting order coming to bat. Note: The team would now use the unequal batting order procedure as described above. If, with 2 out, the batter before the missing player is walked (intentional or unintentional), the automatic out is waived and the next same sex batter will bat. (This does not apply if the player is declared unable to continue just prior to the team's offensive half of the inning.)

If a player is ejected from the game for any reason leaving the team with less than ten players, the ejected player's team must have a substitute available to replace the ejected player or that team will forfeit the game.

Exception: A player, who has left the game under the blood rule, may return.

Blood Rule

If a player is removed from the game, the following male/female is also skipped in the batting order until the removed player returns. The additionally removed player may continue to play defense.

5. The co-ed division will use the Commitment Line - a line in foul territory drawn 21 ft from the back of home plate and perpendicular to the third base line. When a runner crosses this line by touching the ground beyond the line but does not reach home plate, he/she shall be called out when the ball is legally held by a defensive player in contact with home plate. Runners, who have not crossed the line or who cross the line but must tag up on a caught fly ball, may return to third base with liability to put out.
6. The co-ed division will use the Scoring (Safe) Line - a line drawn in foul territory starting at the top left-hand corner of home plate perpendicular to the third base line. A runner attempting to reach home must do so by touching the ground in foul territory on or beyond this line. Sliding into home plate is N O T allowed. The runner is out if he/she touches home plate whether or not a play is being made. A runner is not out if the plate is touched in an attempt to avoid a collision.
7. The co-ed division will use the Worth RIF ball.
8. When a male batter receives A N Y walk, he is awarded second base and the female batter must hit for her turn at bat.
9. Courtesy runners - It must be male for male or female for female, or female for a male.
10. In an effort to complete games within the time allotted, the 7 run rule will be used in co-ed play. Each team will be restricted to either 3 outs per inning or a maximum of 7 runs scored per inning, whichever occurs first.
EXCEPTION: ONLY the last inning is an open inning.
11. **No batter can be thrown out at first base from an outfield position, minimum 4 fielders, standing beyond infield markings.
(The fielder can not relay ball to infielder to make out at first base.)**
